140 YEARS  
OF BELONGING

Shine On  Cape  
Breton

# Since 1886, a charity igniting potential in people

For 140 years, our YMCA is strengthening community by providing childcare, health, and wellness programs and now employment and housing for individuals regardless of their financial situation. Through Financial Assistance Program, our YMCA removes barriers for everyone to belong, grow, and thrive.

Today, the need for donor supports continues to grow. YMCA relies on the support of community partners to sustain and expand its programs and services.

By supporting YMCA initiatives, **sponsors are investing in healthier families, stronger community, and a more inclusive future for Cape Breton.**

# Sponsorship Options

Spring into Motion is a **high-energy, team-based fundraising event to support our YMCA**. Sponsorship opportunities are designed to give local businesses meaningful visibility while directly supporting inclusive access to health, wellness, and community programs.

**To become a sponsor, please contact Development Coordinator, Ankit Wadhwa.**
